Grant Information

How does the Foundation work?

The St. Joseph-Benton Harbor Rotary Club Foundation's resources come from gifts made by Rotarians and other individuals, families, businesses, and local organizations. Normally, only income earned by the investment of these gifts is disbursed through grants, providing a continuing source of funding to benefit the community.

A volunteer Board of Directors made up of Rotary Club of St. Joseph-Benton Harbor members sets policy and approves all grants. All directors have extensive service to and knowledge of our community.

Funds of the St. Joseph-Benton Harbor Rotary Club Foundation are managed by an Investment Advisory Committee which, in turn, is monitored regularly by the Foundation Board of Directors.
